

Crowborough Choral Society

100 Club

The 100 Club is organised by the Society, to raise additional funds. The scheme is open to all Society members, as well as close family and friends.

Entry to the scheme is by a single annual payment (either in cash, or by cheque*), payable at rehearsals during September. 50% of all money raised goes to the Society and the remainder is distributed as cash prizes.

There are three prize draws per year – usually in December, March and June – one larger prize and two smaller ones. The value of these prizes will be determined by the number of members of the scheme each year – the more the merrier!

Each prize draw will be made by an independent person, and will be witnessed by at least two other persons. Winners will be notified in person (at rehearsal meetings) or via the Society’s email.
